Amir Ghadami

ML & Generative AI Engineer | M.Sc. CS, uOttawa
Canada

Summary

I'm a Machine Learning Engineer with an MSc in Computer Science from uOttawa and a focus on deep learning, MLOps, and LLMs. I've published research on recommender systems and built AI-driven applications like LLM agents, RAG pipelines, and automated summarization tools. Skilled in PyTorch, TensorFlow, Hugging Face, Docker, and GCP, I enjoy building end-to-end ML systems that solve real-world problems. I'm currently seeking ML roles where I can apply my skills and grow with impactful teams.

Experience

University of Ottawa

2 years 10 months

Machine learning Research Assistant

September 2022 - June 2025 (2 years 10 months)

Ottawa, Canada

Teaching Assistant

April 2024 - August 2024 (5 months)

Ottawa, Ontario, Canada

Teaching Assistant

September 2023 - December 2023 (4 months)

Ottawa, Ontario, Canada

Teacher Assistant

October 2022 - December 2022 (3 months)

Data Co Lab

3 years 1 month

Data Scientist

June 2019 - May 2022 (3 years)

Data Science Internship (AI/ML)

May 2019 - June 2019 (2 months)

Education

University of Ottawa

Master of computer science , Artificial Intelligence · (August 2022 - June 2025)

Azad University (IAU)

Bachelor's degree, Computer Software Engineering · (2016 - 2021)
